

**MAINE CHAPTER OF THE APPALACHIAN MOUNTAIN CLUB
PRESENTS
A Promising Method to Combat Climate Change
with The Citizens' Climate Lobby**

A Promising Method to Combat Climate Change: Carbon Fee and Dividend has received accolades from both sides of the aisle in Congress, and from leading scientists and economists who tout it as the best method to combat climate change. Come learn about it from Peter Garrett, the Maine Chair of the Citizen's Climate Lobby, Connie Potvin, chair of the Bangor Chapter, and Paul Potvin.

**Tuesday,
May 9, 6:00 PM**

**Bangor Public Library
145 Harlow St.
FREE**
