Freeport Community Library, 10 Library Drive, Freeport, Maine

On Tuesday, December 13, 2011, the Maine Chapter of the Appalachian Mountain Club will present a Winter Hiking Skills Workshop at the Freeport Community Library. Join experienced winter leaders Peter Broderick and Laura Flight for this intro to clothing, gear, snow travel, hiking techniques, and taking care of yourself in the winter. Learn to stay warm, dry, and functional. This workshop is intended for experienced three-season hikers who would like to take the plunge into that fourth season- winter. Experienced winter hikers will also learn a few tricks of the trade. It will be an excellent "things-you-need-to-know-before-you-go" for anyone hiking this winter. This event is free and open to the public.
