Thursday, August 20; Georgetown 5:30 pm meet.

Wednesday, August 29; Harpswell 5:30 pm meet.

AMC Leader Jeff Aceto

Come join us for our Summer Sea Kayaking Series to experience the stunning beauty of Maine's coast from the cockpit of your kayak. Leader Jeff Aceto has organized six trips over 5 weeks in Casco Bay between Portland and Georgetown. These trips are easy to moderate in difficulty and will typically be a distance of 4 to 7 miles. Lighthouses, birds, old forts, and sunsets are just a few of the great sights you will encounter. These trips are free and open to the public; participants should have some kayak experience, but ocean experience is not necessary. Minimum 12 foot kayak length. Trip routes are weather and tide dependent and may be modified for the conditions. Please contact Jeff Aceto at 207-650-5674 or acetajt@suscom-maine.net to sign up for individual trips. See www.amcmaine.org/calendar for more information.
