On Tuesday, December 1, 2009, the Maine Chapter of the Appalachian Mountain Club will present a Winter Hiking Skills Workshop. Join experienced winter leaders Peter Broderick and Laura Flight for this introduction to clothing, gear, hiking techniques, and taking care of yourself in the winter. This event is intended for all hikers, rookie to experienced, and is an excellent "things-you-need-to-know-before-you-go" for anyone who will be hiking this winter. Attendees will also learn about the Maine Chapter's Winter Hiking Series with over 22 hikes for all abilities. This event is free and open to the public.
