Potluck Dinner at 6 pm, Presentation at 7 pm

**Privately-Owned Timber
Lands with a Tradition of
Public Access**

On Thursday, November 6, 2008, AMC's Maine Policy Manager Bryan Wentzell will present a slide show on land ownership changes in Maine's Northern Forest over the last decade, and what this may mean for its future. Bryan will share information on the potential impacts of these recent events, the effects of land conservation tools in recent years, and how these tools may work in the future. This event is free and open to the public. Come join us!
